to take responsibility and custody of the above-mentioned Minor during their stay under a Club Med
Package at the Resort or villa / tour / cruise:

from _____ to _____

The assumption of responsibility for the Minor by the Accompanying Adult is in accordance with the current Club Med terms and conditions of sale. However, the provisions herein shall prevail in the event of any conflict with those terms and conditions.

The Accompanying Adult declares that they hold a legally valid written parental authorisation for the custody of the Minor as well as all necessary identity documents for the Minor. The Accompanying Adult agrees to provide all such documents to Club Med at the time of registration.

Club Med reserves the right to refuse the Minor's registration and/or boarding and/or admission in the absence of the required documents mentioned above. Club Med also reserves the right to verify the accuracy of the information provided and may cancel the registration and/or refuse boarding or admission of the Minor if necessary. This cancellation shall be deemed to occur due to the G.M.® in accordance with Club Med's current terms and conditions of sale.

The Accompanying Adult agrees to verify, prior to departure, with the relevant authorities what documents are required—and in what form—for entry into the destination country, and to obtain said documents.

The Accompanying Adult, who is solely responsible for obtaining all required vaccinations for the Minor's stay, shall bear all consequences related to the absence or non-presentation of the necessary documentation.

The cancellation of the Accompanying Adult's registration automatically results in the cancellation of the Minor's registration under Club Med's current terms and conditions of sale, unless a new accompanying adult is substituted under the same terms. In such a case, a new consent form must be duly completed.

Any act or omission by the Minor that directly or indirectly causes any damage shall be the responsibility of the Accompanying Adult under whose custody the Minor has been placed by the Legal Representative. Therefore, it is recommended that both the Legal Representative and the Accompanying Adult verify their respective insurance coverage concerning any potential liability arising from their custodianship of the Minor.

The Accompanying Adult is responsible for all costs incurred by the Minor's registration and stay. The Legal Representative guarantees payment of these costs in case of non-payment by the Accompanying Adult.

By signing below, the Accompanying Adult and the Legal Representative accept all the terms set forth above.
